

Disclaimer:

This web site is maintained by the Arizona Department of Administration (ADOA), General Accounting Office (GAO).

The information presented by Arizona Open Books represents revenues and expenditures as recorded in the Arizona Financial Information System (AFIS). While AFIS is the State's principal automated accounting system, it is not the only accounting system in use by the State and its organizations. Some financial data is maintained in other systems and is only periodically integrated with AFIS data; some data maintained in other systems is aggregated before it is transferred to AFIS, eliminating transaction details in the process. To make an inquiry about the financial information presented in Arizona OpenBooks, please contact the Arizona Department of Administration at OpenBooks@azdoa.gov.

Although GAO takes reasonable and appropriate measures to maintain the timeliness and accuracy of Arizona OpenBooks, the financial data presented has been neither reviewed nor audited and may contain errors, omissions or misstatements. Financial data is presented on a cash basis which may not fairly, completely or accurately represent the State's financial position or the results of its operations.

This site is intended to provide additional information to augment the State's financial reporting. The State's Annual Financial Report (AFR) is prepared on a cash basis in accordance with A.R.S. Section 35-131.E. To access the AFR, [click here](#). The State's Comprehensive Annual Financial Report (CAFR) contains Audited Financial Statements prepared in accordance with Generally Accepted Accounting Principles (GAAP).
